

Cuddle quilt project

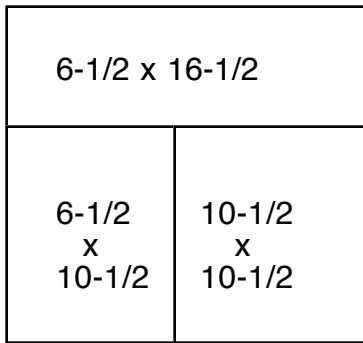

Bring 20 fat quarters to make 1 top 72x84.
 Each fat quarter makes one square, so 12 fq's would make a 3x4 block quilt, etc.

Cut each fat quarter as shown
 From just ONE 3-1/2 x 16-1/2 strip
 cut 4 3-1/2 x 3-1/2 squares

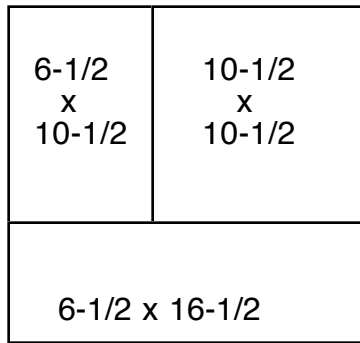

We make two different blocks from these pieces

A

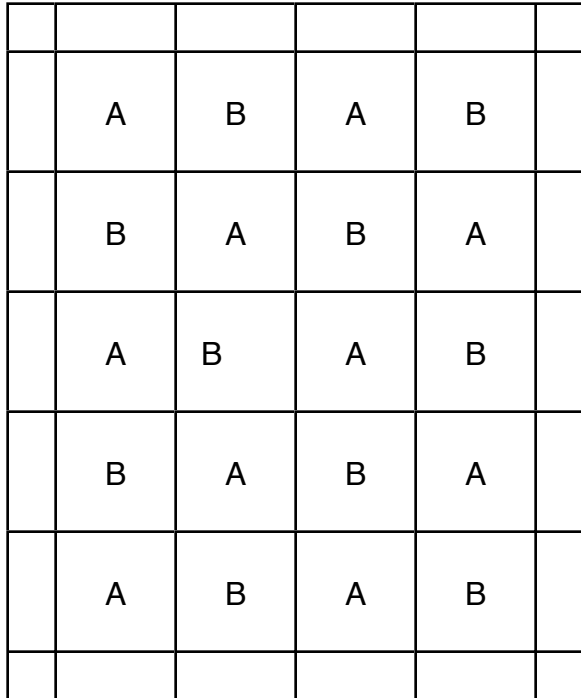

Make 10 A's

B

Make 10 B's

Piece the A & B blocks, then piece a border by adding the four 3-1/2 blocks in each corner and the 3-1/2 x 16-1/2 strips along the sides and top.
