

## Block Party for August

Have you ever been to the Gilroy Garlic Festival? It brings to mind this traditional block called Arrowhead Puzzle. We think the block looks a lot like a garlic braid.

### Materials Needed

Background: two 2 1/2" x 4 1/2" rectangles and four 2 1/2" squares.  
The color should be your interpretation of garlic skin = pale ivory, off white, gray.

Garlic knot: select two colors from purple, green or orange.

Color 1: six 2 1/2" squares

Color 2: two 2 1/2" squares

### Instructions

Just sew together as illustrated in sample block. For example, row one should be one square of background color, one square of color 1, then background rectangle. Continue.

To participate, make the block described, bring it to the next meeting, post your block(s) on the design board, and place your name (one for each block you bring) into the pot. A winning name from those who contributed will be drawn; the winner takes home all the blocks.
